

Glue Up User Guide

My Glue Up Homepage

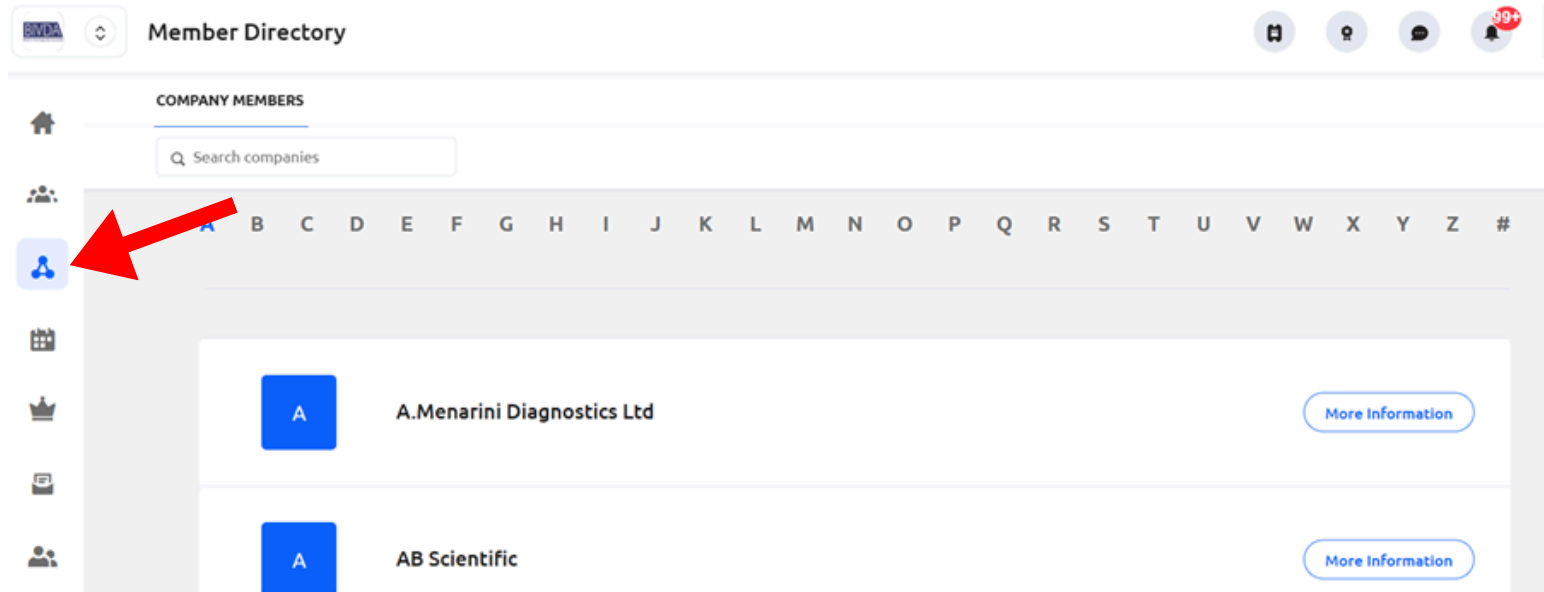

When you register within Glue Up and your Company membership page, you will have your own My Glue account as shown above.

This will show your profile as you have set it up together with your company details and the Events available to join.

You will be able to view future events by either scrolling down or clicking on the button to the lower right of the view and you can then register as appropriate.

Note: We do not currently have the functionality activated to share business cards and create connections between members, but this may come at a future date.

BIVDA 2026 Annual General Meeting

Within the Events tab, you can filter the view by future, past and all events, along with those that you have individually registered to attend.

Membership

This screen is your company membership tab where you can view the details of your BIVDA membership, including all colleagues listed within Glue Up.

All contacts were imported from our previous CRM system, so there may be contacts that are no longer with the organisation. If these could be reviewed, it would be hugely beneficial to ensure we have a clean and accurate database of contacts.

View Membership Details (see image on next page):

By clicking on the View Membership Details tab, you will be taken to the view below.

In this screen, the main Primary/Admin contact can add a contact, update the company profile and transfer the role of Primary contact to another colleague within the organisation. They are also able to delete contacts as appropriate.

You can delete a contact by going to the contact and selecting the three dots to the right of the contact field. There is then an option to delete or transfer the Primary contact role.

Subscriptions

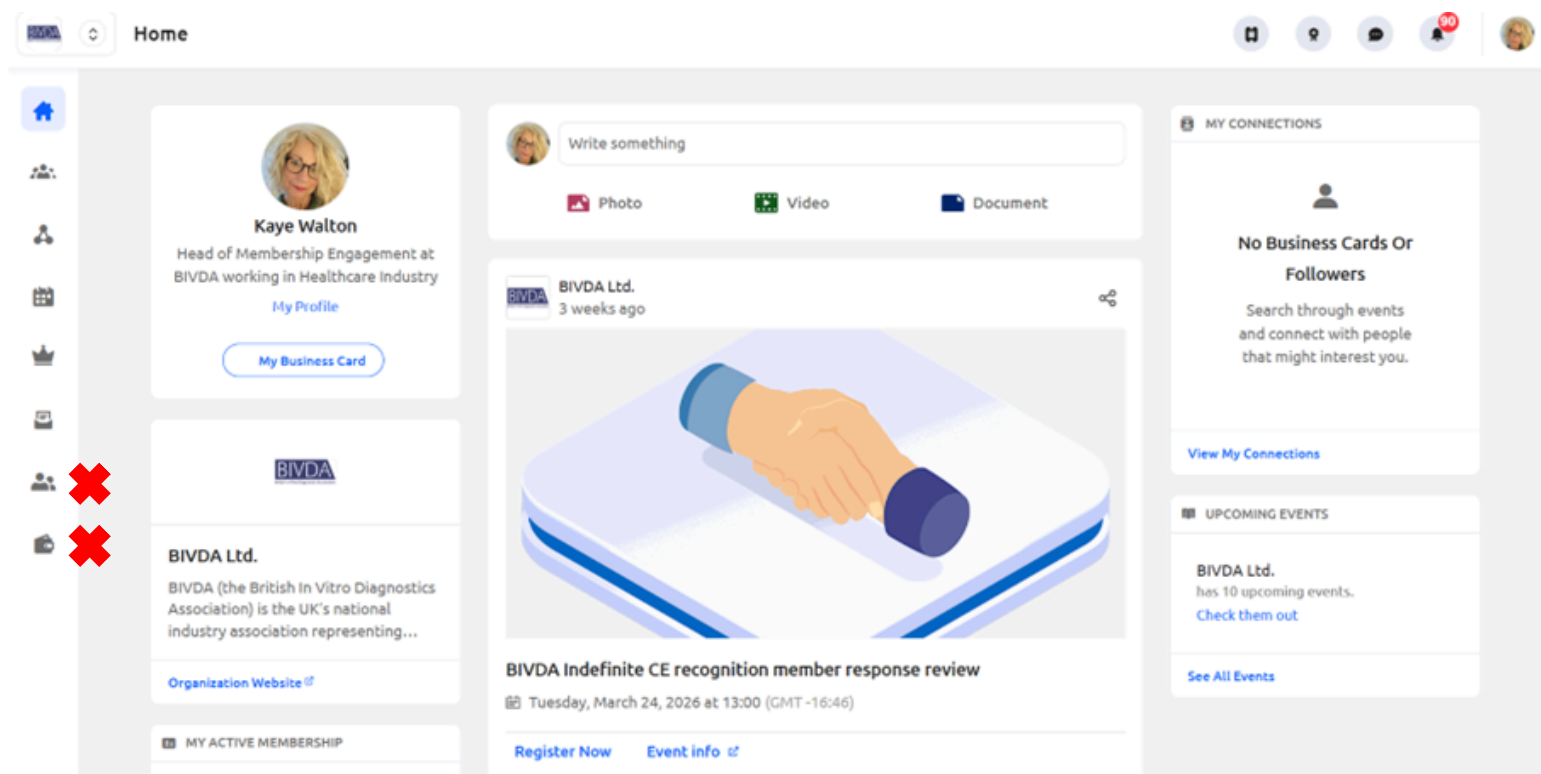

Subscriptions

- BIVDA Newsletter
- BIVDA Innovation Working Party
Uniting Members to drive UK IVD innovation, tackling research, funding, evidence, trials, regulation and adoption to boost healthcare
- BIVDA Regulatory Affairs Working Party
IVD regulation is a fast-moving, vital area for anyone in the IVD industry. This group provides expert guidance, support, and networking.
- BIVDA Government Affairs Working Party
This group focuses on BIVDA's advocacy and policy development work.

This section is where users can subscribe to the BIVDA Newsletter or Working Party Groups.

To subscribe, slide the button to the right and you will be added to the Working Group and receive all relevant notifications for that group. Please note, you will still have to register to attend the Working Party meetings under the Events tab.

Tabs Currently Inactive

The Community, Committees and My Wallet tabs are not yet active, but these are under review, particularly the Community and Committees tabs.

We will update members as and when these are available.
